—SECOND SATURDAY IN SEPTEMBER—

September 9, 2017

So, just what IS "International Drive Your Studebaker Day?"

Good question, as not a lot of Studebaker folks know what it is or how to participate in it. Well, here's the club's interpretation of what it is:

International Drive Your Studebaker Day is an official event of the Studebaker Drivers Club Inc., which is held on the 2nd Saturday of September every year.

Here's what you do:

Join Studebaker drivers around the world on the road and show off your Studebaker car, truck or horse-drawn vehicle, and tell people why you love Studebakers!
