8AM-2PM

Tucker Studebaker

Studebaker Hospitality Tent

The Keystone Region SDC is holding its annual Raffle Car drawing in conjunction with the AACA Museum’s Bill Smith Memorial Summer Cruise-In and Tucker Studebaker parade.

We are seeking “bullet nose” Studebakers to lead the Studebakers in the Tucker –Studebaker parade. Was Bob Bourke's bullet nose design an infringement on the Tucker design as the Tucker lawsuit alleged? Come witness this historic encounter. The Tucker family will weigh in on this debate at the raffle drawing for the 1964 Avanti at noon.

Keystone will have a hospitality tent for shade, camaraderie, early morning coffee, donuts, snacks , sodas, iced tea and lunch at 11AM.

We will be regaled with David Whitehead’s entertaining commentary and announcements promoting all things Studebaker as the Cruise-In’s PA system provider and announcer.

While the Cruise–In is free to entrants, we encourage all Studebaker friends to brake bread (PUN intended) with us at 11AM after the Tucker-Studebaker parade. Your Studebaker luncheon will allow you to skip the long lines in the hot sun waiting for a snack truck item and more importantly kibitz with Studebaker brethren. Come join us!
