**Tucker**

**T**he Keystone Region SDC is holding its 47<sup>th</sup> annual Raffle Car drawing in conjunction with the AACA Museum's 75<sup>th</sup> anniversary of all things Tucker. Or, as it was called back then, the Tucker '48.

My estimate is at least a dozen Tuckers will be present. This event is a huge deal in the Tucker and automotive world. There will be lots of press and public at this event. Expect crowds like you have not seen before. Keystone region's Hospitality tent and your Studebaker will be center stage as the Tucker's parade by our Studebakers.

Plan to be entertained by the spectacle and enthusiasm of all things Tucker at this years Raffle Car Drawing. Most of all, be an ambassador and attend this event to help spread the Studebaker gospel. David Whitehead's entertaining commentary and announcements will be promoting all things Studebaker along with Tucker's as the Museum's PA system provider and announcer.

Early morning coffee, donuts, snacks , sodas, coffee, iced tea provided. Lunch at 11AM.

Your Studebaker luncheon will allow you to skip the long lines in the hot sun waiting for a snack truck item and more importantly kibitz with Studebaker brethren. Come join us! There may be a quiz!!
